

STEWARDS TRAINING INFORMATION SHEET

Course description: This course is designed to qualify Regional Council Job Stewards. The responsibilities of a construction job steward are varied and important. They require ability, good judgement and dedication. The steward's contribution to serving our membership helps to insure the future of our Brotherhood. The steward will earn the gratitude and appreciation of all members of the United Brotherhood of Carpenters and Joiners of America. The job steward is the eyes and ears of the Business Representative.

Prerequisites: *Participant must have successfully completed:*
1. OSHA 10-Hour Construction Safety Course
2. 8 Hour Standard First Aid and CPR Training

***Note:** CNOW I training must successfully be completed within twelve (12) Months of the completion date of the Stewards Training Course.

Course Length: 1 Day (Total 8 hours)
